Kingfisher Class visit to West Stow Anglo-Saxon Village

Dear Parents and Carers,

We are pleased to inform you that Kingfisher Class will be going on a trip to **West Stow Anglo-Saxon Village** on **Friday 20th March 2026**.

This visit will support and enrich our topic learning for the **Spring term**. West Stow offers the children a unique opportunity to visit the **only early Anglo-Saxon settlement reconstructed on its original excavated site**.

During the visit, the children will be encouraged to investigate different aspects of the reconstructed buildings within the village. They will also have the opportunity to study archaeological finds from the settlement, the cemetery, and other local sites. In addition, the children will visit the Anglo-Saxon Museum, where they can handle replica artefacts to deepen their understanding of life during this period.

We will need to leave a bit earlier on the day to maximise our time while there – please can children come to school at **8.00am**. We will be leaving school at **8.15am prompt**, with a view to arrive at West Stow for 10.00am and expect to **return by approximately 4.15pm**.

The cost of the trip is **£15.00 per child (families eligible for pupil premium will receive a 50% reduction, meaning the cost will be £7.50 per child)**, which covers transport by minibus and the entrance fee. To help keep costs as low as possible, I will also be **driving some children myself**. I hold full business insurance and appropriate booster seats will be provided if required. If you are happy for your child to be transported by myself, please **indicate this on the return slip**. Please make payment via Arbor (no cash payments will be accepted). May we remind you that no child will be excluded because of cost but unless sufficient contributions are received, the trip will not be able to take place.

Children will need a packed lunch and water for the day. If you would like to order a school packed lunch for your child in advance, please indicate on the attached permission form.

Please complete the attached permission form, medical form and return to school office no later than **Monday 9th March 2026**.

We are looking forward to what should be a brilliant day out for all. Thank you for your continued support.

Kind regards,

Josie Davenport
Senior Teacher
